## ABOUT THE UGANDAN KIDS CHOIR

The children in the Ugandan Kids Choir bring a message of hope, sharing the power of God's love through traditional music and dance. These children come from the poorest parts of Uganda and are chosen for their enthusiasm, ability and dedication, all of which make them potential leaders when they return to their communities. They are currently touring the United States speaking up on behalf of children living in poverty who have yet to be sponsored.

The Ugandan Kids Choir is a ministry of Childcare Worldwide which has been dedicated to empowering children in the developing world since 1981. Through child sponsorship, Childcare Worldwide brings hope to children in need by providing them with an education that will set them up for future employment and break the cycle of poverty in their lives.

Today's collection will go to Childcare Worldwide. Your donation will help pay for educational expenses such as school fees, uniforms and books as well as access to essential needs such as food, clean water and medical attention. *Please make checks payable to Childcare Worldwide and place in the collection baskets.* For more information about Childcare Worldwide, visit their website at [www.childcareworldwide.org](http://www.childcareworldwide.org).

***Note: Collection for the ministries of Northbrook Presbyterian Church should be put in your regular offering envelope or in a pew envelope and placed in the collection baskets. Checks should be made payable to Northbrook Presbyterian Church.***
